Dear Realtors,

I want to extend the warmest thank you from our Board for the 2019 Partnership Of The Year Award presented to our County Farm Bureau at your Annual Dinner on January 24<sup>th</sup>, 2020.

I apologize that I could not attend that evening however our Board member and Past President Frank Lyall attended in my absence and he was very impressed by the enthusiasm on behalf of your organization with respect to property rights and excessive government intrusion. Our board is heartened greatly to have such a distinguished ally as your Association!

Thank you and warmest regards

Mark Herke

President, Yakima County Farm Bureau
